BRIDAL SHOWER

How to Play

2 to 4 teams · 25 squares · one final round

1. Make 2 to 4 teams, mixing guests from different parts of the bride's life.
2. Closest birthday to the wedding date picks first: "The Couple for 300."
3. Read the question once. The team that picked answers. Wrong? Another team can steal.
4. Cross off the square. Right answer: that team picks next. No one got it: same team again.
5. Final round: teams bet 0 to their score. Right adds the bet, wrong takes it away.
6. Daily Double (optional): one secret square. That team alone bets up to its score or 500.
