BRIDAL SHOWER

How Old Was the Bride?

Guess her age in every photo

1. Find each numbered photo on the board.
2. Write how old you think she was on the same line of your sheet.
3. Baby photos: answer in months.
4. One point for each exact age. Most points wins.
5. Tie? The closest total of all the ages wins.
6. Sheets in by: _____

BRIDAL SHOWER

Host Checklist

From the photos to the winner. Start 2 to 3 weeks before the shower: the photos live with her family.

Collect the photos

- [ ] Ask one family member for the photos
- [ ] Ask for 15 to 20, from baby to recent
- [ ] Ask for her age with every photo
- [ ] Get scans or phone pictures of prints
- [ ] Agree on photos that are off limits

Pick and set up

- [ ] Pick 10 to 12, every 2 to 3 years
- [ ] Mix easy and hard photos
- [ ] Shuffle the order, then number them
- [ ] Use copies, never the originals
- [ ] Sign above the board, sheets and pens

Check each age

- [ ] Look at the back of old prints
- [ ] Check the date in the photo info
- [ ] Check her birthday before you subtract
- [ ] Ask the person who took it
- [ ] Drop photos with an unsure age

Play and score

- [ ] Decide if “baby” counts as right
- [ ] Read the scoring rules out loud
- [ ] Collect sheets before gift opening
- [ ] Read the real ages, photo by photo
- [ ] One point for each exact age
- [ ] Gentler: 2 exact, 1 for one year off
- [ ] Tie: closest total of all ages wins
